In paragraph 3 of the G.O. cited above, Government placed a sum of Rs.1½ lakhs at the disposal of Mon.R.Peychaud to meet the working expenses of the Kollegal Silk Filatures acquired by Government. The Deputy Director (Textiles) reports that a sum of Rs.63,271 has been spent up to 21st May 1943 leaving a balance of Rs.86,729. In order to enable him to purchase sufficient cocoons available from early next month up to the middle of July and to meet other expenses such as establishment charges, purchase of material etc., he estimates that he would require for the next three months a sum of Rs.4,02,972 as per details furnished below.* Deducting

the cash balance of Rs.86,729, he requests additional funds to the extent of about Rs.3,16,000. Since the price for of cocoons is to be controlled from 15th June 1943 - this would be more than halve the figure given by Mr.Peychaud, I suggest that an additional sum of one and a quarter lakhs be placed at his disposal. 1/A

2. Mr.Peychaud has been asked to submit an estimate for the whole of the current year 1943-44. On receipt of this I shall address Government further in the matter. B
